

**US Army Corps  
of Engineers.**

**Lawrence  
Williams**

**100**  
BLACK MEN  
OF AMERICA, INC.

Lawrence has worked in the Federal Sector for more than 22 years. He served 4 years in the U.S. Air Force, and is currently assigned to the Real Estate Division, Management and Disposal Branch of the U.S. Army Corps of Engineers, St. Louis District, where he serves as Senior Realty Specialist. Prior to becoming a Realty Specialist, Lawrence was a Corps of Engineers Park Ranger, and has worked at Lake Wappapello (located in Southern Missouri), Carlyle Lake, and on the Mississippi River (West Alton, Missouri).

Williams, the son of Lawrence Sr. (deceased) and Odessa Williams of St. Louis, Missouri, is a product of

the St. Louis Public School system and a graduate of Southern Illinois University at Edwardsville.

For the past 12 years Lawrence has worked with area public schools in support of and promoting career and recreational opportunity with the U.S. Army Corps of Engineers; with programs, such as, the Role Model Program, the General Business Component of the Real Life Science Program, and has supported St. Louis area high school students by participating in the Career Education Pathfinders Curriculum Program.

Thomas R. Hewlett, Chief of the Real Estate Division, St. Louis District, commented, "There should be a picture of Mr. Williams in the dictionary under the definition of public service."

Williams, who serves as Board President of the 100 Black Men of Alton, lives in Godfrey, Illinois and is married to Rena, and has two daughters, Brittany and Chastity.
